

GER and UCORE Crosswalk

For FORMER STUDENTS RETURNING (FSRs) ONLY

The implementation of Rule 110 for **Former Students Returning** begins with students admitted for Spring 2015. These students will be held to UCORE requirements, regardless of their initial post-secondary education date (IPED date).

As many of these **former students** may have already made significant progress towards completing the 2009 GERs, this "crosswalk" was put into place that will allow for **courses taken prior to Fall 2012** with a GER attribute to be utilized for UCORE and additional college requirements.

Students who were enrolled at WSU prior to Fall 2012, and who completed the 2009 GERs, are considered to have satisfied the current UCORE.

Students with incomplete general education requirements (such as GERs or GURs), or who completed general education requirements prior to 2009, will work with their academic advisor to map completed coursework to the current UCORE requirements.

Crosswalk for courses taken prior to Fall 2012

B=BSCI	W=WRTG
C=COMM	P=PSCI
D=DIVR	S=SSCI
G=HUM	T=CAPS
I=DIVR	GEN ED 110 = HUM
K=SSCI	GEN ED 111 = ROOT
N=QUAN	

Additional Information

Anything not specified below requires University petition.

- [H] courses were not included in the crosswalk because they can represent either [HUM] or [ARTS]. Upon request from advisor, the Graduations area will apply [H] courses with a MUSIC, ARTS, or FINE ARTS prefix to the [ARTS] requirement and will apply courses with all other prefixes to the [HUM] requirement. PHIL 201 can be applied to either [QUAN] or [HUM]. If [HUM] requirements are satisfied, courses with a [G] attribute can be used to fulfill the [DIVR] requirement upon advisor request to the Graduations area.
- If [SSCI] requirements are satisfied, courses with a [K] attribute can be used to fulfill the [DIVR] requirement upon advisor request to Graduations area.

- If a student took a course that subsequently acquired a [D] attribute, that course can be directed by graduations to fulfill [DIVR].
- Requests to have [Q] [U] and [Z] courses applied to UCORE requirements should be directed to the University Requirements Petition Committee.
- Courses that did not have a UCORE attribute at the time taken, but which subsequently received one, may be used to satisfy the UCORE category. This is accomplished via an advisor email request to the Graduations area. The student must have received a letter grade in the course; courses taken Pass/Fail, Satisfactory/Fail, or via other grading systems are not eligible for UCORE.
- GER courses taken Fall 2012 or later by students who were admitted or readmitted under GERs can be used to fulfill UCORE requirements via the crosswalk.
- Former students (FSRs) who are admitted under UCORE and had their transfer courses evaluated under UCORE will not be given GER credit retroactively.
- Requests to apply courses taken Fall 2012 or later that had a GER attribute to UCORE requirements should be directed to the University Requirements Petition Committee.
- All other requests should be directed to the University Requirements Petition Committee.
