

# HONORS to UCORE Crosswalk

Before moving from Honors to UCORE, students are required to complete a consultation with an Honors advisor.

1. Student who have completed all HONORS course work except thesis will be considered complete for all UCORE Requirements except CAPS.
  - a. The graduations area will enter a milestone to show UCORE requirements as complete.
  - b. Milestone will not be applied if any HONORS requirements have been waived or changed. Course directives (substitutions) will be allowed.
  
2. Students who move from HONORS to UCORE prior to completion of the HONORS curriculum will have their coursework applied as follow:
  - a. Coursework that will automatically be directed to the UCORE requirements
    - i. HONORS 270 [SSCI]
    - ii. HONORS 370 [SSCI]
    - iii. ECONS 198 or any Honors Level English, Math or Science Course
  - b. HONORS courses without a direct UCORE equivalent will be entered as exceptions by the graduations area at the time of conversion to UCORE as follows:
    - i. HONORS 280 and 380 for ARTS or HUM requirement. The designation of ARTS or HUM is determined by the University Requirements Petition Committee via petition submission.
    - ii. Completion of both HONORS 280 and 380 will fulfill the UCORE ARTS and HUM requirements.
    - iii. Completion of both HONORS 290 and 390 will fulfill the UCORE BSCI, PSCI, and lab requirements. CAS students will still need to complete an additional labcourse
    - iv. Course directives (substitutions) that were allowed by Honors College will be applied to the corresponding UCORE requirement
  - c. HONORS requirements that were changed or waived will not be considered complete for UCORE.
